The page will reload with the updated deductible selections.

If a selection is not valid for a building(s), a pop up will inform the agent and those items will not be updated.

The following items were not updated because that deductible selection is not valid for that item:

Piglet Nursery - \$72,000 - \$10,000 Flat Deductible
MH occupied by farmhand - \$59,000 - \$10,000 Flat Deductible
Detached Garage - \$25,000 - \$10,000 Flat Deductible

Please update that item individually if necessary.

OK

This function will work similarly for Coverage F (Scheduled Farm Personal Property) and Farm Inland Marine.

In addition, deductibles can be updated from the Quote Results page.
